GREEK COMMITTEE [Toronto] February 1919 (066)

Toronto, Feb. 5th. 1919.

Sir Robert Falconer,
University of Toronto
Toronto

Dear Sir:

Mr Nicholas Kyriakides, who recently delivered a lecture at "Massey-Hall" at which you honoured us by your presence did not probably have the opportunity of thanking you for your kind and sympathetic address to the Greeks of Toronto; and the Greek Committee has now much pleasure in offering you on their own behalf as well as on the behalf of the Greek Colony of this City,

their most heartily thanks.

Your home impressed upon our minds, Sir, what we were taught at School, when we were but little boys, that Greece by her wonderful civilization and culture had conquered undisputed friends among the sons of the British Empire; and your home also, we sincerely hope, made for ever disappear on the minds of those, who had not the opportunity of acquiring a sufficient knowledge of Greece and of her people, the erroneous ideas prejudicial to the Welfare of the Greeks of Toronto and to the tranquility of peaceful citizens living here.

Kindly receive once more our most sincere thanks, and believe us to be

Yours Very truly & most respectfully.
